CORPORATE INFORMATION

PINTAS is a multi-disciplinary intellectual property boutique firm that provides customized solutions relating to patents, trademarks, industrial design, copyrights, trade secrets and other forms of intellectual property assets.

We have the vision and capabilities to help our clients to achieve business success through intellectual property rights. The essence of this vision is fully manifested in the company motto: "Today's Asset, Tomorrow's Value".

From concept to market, and every stage along the way, we protect, enforce, capitalize, and find ways to expand your intellectual property assets. We turn your ideas into valuable business assets.

"I want to put a ding in the universe"

*Steve Jobs
Co-founder & CEO of Apple Computer Inc.*

PINTAS Vision:

To become a world class intellectual property service provider who leads through innovative solutions and unrivalled customer service.

"The invariable mark of a dream is to see it come true."

Ralph Waldo Emerson
US essayist & poet (1803 - 1882)

PINTAS Mission:

To help create, preserve and enhance our clients' value through intellectual property assets

"If we did the things we are capable of, we would astound ourselves."

Thomas Alva Edison
Inventor, scientist (1847 - 1931)

UNIQUE SELLING PROPOSITION

The key to our success is twofold.

First, we have in our team highly experienced and qualified intellectual property professionals who provide quality and innovative intellectual property solutions to our clients.

Second, we provide highly responsive and personalized customer service with uncompromised integrity.

*"You have to learn the rules of the game.
And then you have to play better than anyone else."*

Albert Einstein

US physicist; Nobel Prize in Physics 1921 (1879 - 1955)

OUR CLIENT BASE

We serve companies and organizations in nearly every industry, from traditional manufacturers to high-tech multinationals and everything in between, including manufacturers, educational and research institutions, retailers and franchisors.

By developing and maintaining close relationship with our clients we could grow synergistically to attain our business success.

Our professionals provide a level of expertise that can only be achieved by a firm devoted exclusively to intellectual property practice. Our professionals hold graduate or post-graduate degrees in the sciences, engineering, law and finance, covering a comprehensive spectrum of disciplines.

We understand the special needs of technology-related companies, and their investors. This detailed knowledge and experience provides insight and a deep understanding of clients' needs which enables our attorneys to provide the highest calibre service in meeting our clients' intellectual property challenges, and leveraging their intellectual property rights.

Our IP practice groups are organised into three areas of focus, namely strategy, legal and finance.

STRATEGY

Business has only two functions - Marketing and Innovation.

*Peter F Drucker
US management guru (1909 - 2005)*
